

# CERTIFICATE OF ACHIEVEMENT

THIS CERTIFIES THAT

*Has successfully completed the Part 107 Test Preparation Class and has demonstrated an understanding of the FAA's regulations and Unmanned Aircraft Systems' principles by achieving a score of 90% or greater in less than the allotted 2-hour time limit, on their most recent Part 107 Practice Exam administered by Rapid Aerial Services.*

*The score of 90% or greater on the Part 107 Practice Exam is an excellent predictor of performance on the official exam, provided the Registrant schedules the exam in a timely manner and continues to study and take periodic practice exams until the day of the official Part 107 exam.*
